Wednesday 31 July 2024

Kia Ora Parents, Caregivers, and Ward School Whānau,

We had a great start to the Term last week, our seniors were very busy planting trees and visiting Seddon to listen to a very inspiring New Zealand author Rachael King. Our Middles and Juniors have hit the ground running getting into their learning programmes and delving into the world of the Olympic Games! (Fantastic effort by our Rugby 7s Women's team to bring home the gold!) Term 3 is always busy and the children will continue to benefit from a wide range of fantastic learning opportunities.

Track ticket Winners

Cross Country

Unfortunately on Tuesday, bad weather led to the postponement of the Marlborough district Cross Country. We wish our competitors Madi Lunn, Angus McClintock, Paddy Milton and Reece Nicholls all the best and fingers crossed for some better conditions tomorrow!

Wave Pool Assembly

This Friday Wave Pool will host our first Sharing Assembly for Term 3. We will be starting at 2:10 pm in the Reef. All are welcome to attend.

Jump Jam

Our Junior Jump Jammers are very excited about their upcoming event this Saturday. They performed in front of the school at our celebration assembly on Monday and looked great! We may even get a sneak peek at our Friday Assembly!

Team Meeting

A friendly reminder that there will be a TEAM meeting this Friday (2nd of August) at MJs Cafe from 1:00pm. You can check out the agenda sent on the Skool Loop App. It is always awesome to see new faces at these meetings, the school really appreciates the community support and everything TEAM does to make our school an awesome learning environment

Ski Trip

Our annual Mt Lyford Ski Trip is scheduled for August 16th. We will be sending home a letter today, with some details of the trip and asking families to let us know who is going and who can help with transportation. Your prompt response to this letter would be much appreciated as it will help greatly with our organisation.

A Note from the Board of Trustees

A letter will be sent by email and posted on the Skool Loop App today outlining the Board's desire and plan to generate some positive buzz about Ward and Ward School. The board has acknowledged how difficult it has been to attract applicants to our vacant "permanent teaching position" and is very keen to be proactive and create something that can be used for this and future positions.

Just for Laughs! (aka Mr Sangster's Dad Joke of the week!)

What do Olympic sprinters eat before a race?

Nothing, they fast!

Ngā mihi nui,
Aaron Sangster - Principal/Tumuaki
